

CIA HISTORICAL REVIEW PROGRAM  
RELEASE IN FULL 1995

9 JUL 1962

Mr. Walt W. Rostow  
The Counselor  
Department of State

Dear Walt:

Thank you for sending me the letter outlining the study of future strategic-force relationships which you propose be undertaken under Department of Defense sponsorship. It seems to be a worthwhile and interesting project, closely related to some of our work, and I am happy to accept your invitation to designate a CIA member for the panel you are forming. In accordance with your suggestion, Dr. Ray S. Cline, whom Professor Schelling has already contacted, will represent CIA in the work of the panel.

Sincerely yours,

(Signed) JOHN A. McCONE
